

Dear members,

The MiCIA Coronavirus Task Force has been working hard to assist our members in finding the resources necessary to continue operating safely while developing best practices. I'd like to thank our members below for serving on the Task Force and volunteering their valuable time and expertise:

**Lauren Maloney**

Food Safety Program Accreditation Manager  
Perry Johnson Registrars Food Safety, Inc.

**Connie Maxim-Sparrow**

Emergency Management and Cannabis consultant, principal of Sparrow Consulting, LLC

**David Crocker MD**

Michigan Holistic Health

**Lissa Satori**

Cannabis Regulatory Consultant

**Robert T. Miller**

Ph.D. Pharmaceutical Chemistry, BS Pharmacy  
Over 30 yrs experience in the Pharmaceutical and Cannabis Industry  
COO ACT Labs

The members of the Task Force have given our team incredible guidance on how to move forward safely as an essential industry while simultaneously working to flatten the curve. Today the task force released their Coronavirus Best Practice Guidance to further assist our industry. As the Task Force continues to help us navigate this difficult time please continue to send us your questions and concerns so they can help address them.

Finally, I would like to thank everyone for taking my communication to you yesterday seriously. I'm proud of you all for working so quickly to come into compliance with all of the new changes. I know this is a very difficult time for all of us and we are here to support you.

Sincerely,

**Robin Schneider**  
**Executive Director**
