

Attention PJRF SI Clients –

After careful review of guidance issued by global health organizations and accreditation bodies as well as our own internal determinations, PJRF SI will be handling audits in areas potentially affected by the current coronavirus (COVID-19) situation on a case-by-case basis.

To reduce risk to our auditors and clients, we are encouraging good hygiene practices, self-quarantine in case of exposure, as well as avoidance of geographical areas considered high-risk. The health and safety of all is of key concern to us at PJRF SI, and we ask that any clients with concerns or questions regarding upcoming audits or specific policies please contact us.

We are grateful to everyone in advance for their cooperation in the midst of this constantly-evolving situation.
